# WHY CONSULTANCY 4 CARE?

**Making the best care decisions for your loved ones can be confusing and complex. Consultancy 4 Care offer clear and independent advice to guide you through this emotional journey.**

## Peace of mind

80% of admissions into care homes happen in an emergency situation. Can you trust and be assured your loved ones are receiving the care that meets all your expectations?

## Time saving

Our service will save you time, reduce anxiety, and offer you a less stressful path while seeking an affordable and suitable care solution.

## Monitoring

Our passion is dignity and respect for all. We want to minimise worry particularly when loved ones struggle to communicate or are on their journey with dementia.

So once you've made your decision, Consultancy 4 Care will be there to monitor, and ensure that the care home continues to meet you and your loved one's expectations.

## Value for money

We know how important it is that our clients get the best value for money.

Our fees are typically pre-agreed with any bespoke requests so our clients know the exact costs of a particular engagement.
